

Parks and Recreation Meeting March 2023

Flag Football Fall 2023

Possibly cut the price for registration for tackle and flag to see if can get more kids interested.

Currently is \$65/\$100. Guthrie offers \$25/\$50.

Softball and Baseball Spring 2023

Tee-Ball / Baseball / Softball

41 players registered so far for Tee-Ball. One team each for Minors and Majors

Sponsorships

\$5700 in sponsorships for t-shirts and banners. \$300 sponsors will have a banner in the outfield of baseball or softball field. 2nd base to outfield fence in baseball is 99ft. \$100 sponsors will have name listed in another location. All sponsors will have name on T-Ball shirts. What great support from our community!

Beautification of Grounds

Request: Replace the rock on the tee-ball fields with red clay substance.

-An extra space for practice time would be useful for majors and minors

-How much does the red clay cost? Currently researching...

Request: Put rock under bleachers (from tee-ball fields), not the black rubber pieces from the old playground.

-the black rubber pieces stain hands and shoes

-rock from the tee-ball fields would be more aesthetically pleasing

Spring Clean Up Day

-Field Clean-Up Day

-Chalk and spray paint for marking the field

-we need 5 more bags of chalk and a case of spray paint (Lake Lumber)

-There is a weed sprayer for the field

Story Walk Idea

Have a trail or place for kids, and adults, to walk and have stories for kids to interact with.

Also, possibly just add a trail around the park or from the parking lot to the tee-ball fields

Softball and Baseball Practice

- Starts April 1st
- Put up nets (before April 1st)
- Drag the field
- Porta Potty's to be placed?

Concessions

- Abby and Alli to prep stand
- Is the concession stand going to be un-winterized?
 - Approved to purchase Gehl's 2.0 Nacho dispenser and cheese

Basketball Fall 2023

Money from concessions was deposited and ended up \$400 in the basketball account.

Volleyball Fall 2023

No updates from Alex.

New Concession Stand

- Someone is working on making plans pro-bono
- We would like to do a big event with a placement of the new playground and introduce idea for new concession stand. Think about fundraising opportunities with this.

Next Meeting

Field clean-up day Apr. 15
