

SIDEWALK PROGRAM REPLY FORM

Date: _____ (30 days from date of contractor estimate)

RE: Sidewalk Improvements

City of Panora:

I wish to participate in the City's sidewalk program and have met with the City contractor regarding the sidewalk to be replaced. The amount of my final estimate from the contractor was \$_____.

I understand the work will be done on the contractor's schedule and that the disturbed areas will be backfilled and leveled but that I will be responsible for seeding, watering, and maintenance after that.

I am enclosing a check for \$_____ for my 50% up-front cost of the project and mailing this reply by the date above. I am also indicating how I would like to complete payment of my repairs.

I elect to participate in the program; please have the city's contractor commence the work and:

Bill me directly once the work is complete

Assess the remaining bill to my property taxes

Sincerely,

Property Owner
